

BE ALERT! YOUR CHILDREN ARE GOING . . .

DRIVE CAREFULLY!

**School Time is Safe Driving Time --
The Child You Save May Be Your Own!**

STOP and WAIT when school busses are taking on or discharging passengers.

KEEP ALERT for children walking to school in the or on county roads.

GIVE RIGHT-OF-WAY to children at cross-walks. Be sure they arrive safely.

More and more children are on the streets again — some of them going to school for the first time. Children will be crossing the streets walking along country roads waiting for school busses. Children are sometimes unpredictable and it is up to drivers to stay alert and in full command of their vehicles in case an emergency arises. **PLEASE** drive extra carefully. Watch for children at crossing and on the streets. Give the right of way to **SCHOOL** busses. Be alert. The children may not see you — be sure you see them!

FOLLOW THESE RULES FOR SAFE DRIVING

- Be doubly careful near schools or where children play. Children don't realize the danger and may take chances. That's why you, the driver, must take extra care.
- Keep your car in top mechanical condition. Use chains when roads are slippery.
- Obey traffic laws. Know the traffic laws wherever you travel and don't break them.
- Slow down. Speed is dangerous at any time — doubly dangerous when visibility is cut by rain, fog, or darkness.
- If you drive, don't drink — if you drink, don't drive. Remember, death takes no holiday.
- Keep lights and windshield wipers in good condition during rainy or snowy weather. You have to see danger to avoid it.
- Be a courteous driver. Yield right-of-way, even when it should be yours. It's better to stay alive than to be dead right.
